

Benefits Specialty Services

for People with HIV

What is the Benefits Specialty Services?

Benefits Specialty Services is a program that helps people living with HIV (PLWH) access public and/or private health and disability benefits and programs. Benefits Specialists can assist in making sure you are getting all available health and disability benefits at no cost to you.

What is the goal of the Benefits Specialty Services program?

Benefits Specialty Services helps you learn and enroll in different public and private benefit and entitlement programs (CalFresh; Medicaid/Medi-Cal; Medicare; Social Security; Women, Infants, Children (WIC); and many more) for which you may be eligible.

What services can I access through the Benefits Specialty Services program?

Benefits Specialty Services program offers a variety of services that may include checking your benefit need and eligibility, helping you complete any applications and/or paperwork, and managing your benefits.

How do I access these services?

You can access these services by contacting any of the providers listed above. If you are not already receiving services at one of the providers above, you may need to confirm that you are eligible for the Ryan White Program and may be asked to provide documentation confirming your HIV diagnosis, current income (if any), health insurance (if any), and that you live in Los Angeles County. Benefits Specialty Services are free for those with a qualifying income regardless of immigration status.
